THE MEAT COMPANY
2023

WELCOME

Thank you for your interest in our farm products; we are not open like conventional farm shops as we tend to be at the farm throughout the week, including Saturdays between 10:00hrs to 16:00hrs. However, if you wish to purchase any of our high quality meats during these hours, we are more than happy to meet you at the farm shop at a pre-arranged time. Please call 01386 750510 or 07711 279978 to arrange.

Alternatively, you can purchase any of our produce throughout Worcestershire; please see our list of local suppliers for further information.

We look forward to serving you!
